WSC-3000[60Hz]

Split Portable A/C

Cooling Capacity (BTU,ton,kW)	12000/1.1Rt/3.8kW
Power Supply (Hertz, Phase, Volts)	60Hz/Single/115
size(WDH)mm	inder 705x350x928 outdoor 600x275x655
Weight	indoor 83kg(182Lbs) outdoor 22kg(48Lbs)
Current Consumption	12.4Amps
Power Consumption	1.42kW
Refrigerant type	R-410
Max hot air duct length	10m cold water hose
Condensate Tank(Liter)	Auto pump included
Cooling Area	33㎡

[Installation](#)[Ask Quotation](#)[List](#)

Features

- Low noise, available for office, warehouse, computer server room etc
- As castors are well equipped, it is easy to move to where it needs.
- Contrik Panel is easy to use and Self-dignostic system is installed for user's convenience and check.

No heating air, thus, available for small area and industrial use by low noise
 High fuction even in high temperature environment
 Easy to check if it is well operated or not thanks to Self-dignostic function
 Unit is very strong thanks to covering by Rugged steel

Installation example

Textile mills, Food processing plants, Machine shops, Restaurant kitchens, Cleaning factories, Casting foundries, Plastic injection factories, Boiler rooms, Heat treatment rooms, Auto-repair shops, Shipbuilding and industrial work yards, Golf ranges, Golf courses, Computer Rooms, Server Rooms, Underground Spaces, Warehouse, Buildings with high humidity, etc.
